

ROWE IS GREEN!!

We're reducing our...

Come help us celebrate...

Where: Rowe Elementary School

When: Friday, February 11th - 1:00pm

TWO MAJOR ENERGY PROJECTS ARE NOW COMPLETE!!

- the 18.4 kW Solar Array paid for with federal ARRA stimulus funds
- the Guaranteed Savings Performance Contract with Siemens Building Technologies, reducing Rowe municipal energy use by 38-40%--paid for by utility cost reductions

Our partners in these projects—**Berkshire PhotoVoltaic Services, Sirois Electric, and Siemens Building Technologies**—will be in attendance, along with **Sen. Benjamin Downing, Rep. Gailanne Cariddi, Jim Barry** of the MA Dept. of Energy Resources and FRCOG Director of Regional Services **Bob Dean**.

The Rowe School 5th/6th grade students, who have been participating in these projects will also attend the celebration.

Hot Cider will be served.
