Scheduled Presentations/Joint Meetings

A. 6:30PM Kopelman & Paige - Jeffrey Blake, Esq.: Mr. Blake presented an overview of town counsel services of Kopelman & Paige (KP Law) offered to municipalities. Included in the presentation were processes, and the specialty areas and cost. He explained that he would be the lead attorney and other attorneys would be assigned to cover specialized areas as the need arose. Mr. Blake discussed the steps to retain services and the transition and that he would be the point of contact attorney and said the town assigns a point person which is usually the Board of Selectmen Chair. He presented documents explaining services providing greater detail. A proposal would be sent from KP Law for review.

Jeffrey Blake, Esq. left the meeting at 7:23 p.m.

B. Treasurer Job Posting: Following her resignation, Treasurer Semanie discussed the position and Rowe needs for the position. She discussed the needs of the next few months and that there would be a need to borrow money due to cash flow issues with income from taxes and recommended going to a quarterly billing system rather than bi-annually. In addition, more borrowing would be needed for the broadband project, most likely $200,000.00. There was discussion about the reorganization of the position and make it a Treasurer/Collector position to attract a candidate with more training. It was noted there was frequent turnover in the position and that it required a skilled person with appropriate background. Discussion continued about the role of the Administrative Assistant and responsibilities to learn payroll as a backup to the Treasurer. There was discussion about which the office to use for the new Treasurer and the best way to transition. It was agreed to prepare a Special Town Meeting Warrant and include an article for adding $5356.00 to the Town Treasurer position to attract a more qualified candidate.

C. 7:00PM Administrative Assistant to the Boards: Administrative Assistant Paul McLatchy III asked to be able to remain in his current position at the Post Office until his resignation at the end of October. He recognized that it cut into his administrative time and thanked the board for understanding.
